

## AIR FLEET TRAINING SYSTEMS INC

35 Wright Way, Hangar P, Fairfield NJ 07004

***SAFETY THROUGH PROPER TRAINING™***

### **TSA Foreign Student Internet Registration Information**

If you are not a US citizen, but have residency with an appropriate visa or work authorization within the United States, you are required to register with Transportation Security Administration(TSA). You can do this through the TSA website listed below. You must create an account.

<https://www.flightschoolcandidates.gov>

\* In part one you will type in your general information and will have to scan your passport. In part two training details, select New Jersey. Provider Name: Air Fleet Training Systems, inc. Select course name, do not type it in.

<b>Course#:</b>	<b>Course Name:</b>
101	Category 3 – Initial License
201	Instrument Rating
301	Category 3 – Initial License (Commercial)
401	Multi-Engine Rating

Aircraft Type: Cessna 172

Estimated Start Date: It's recommended to select a date 10 days in advance.

TSA approval may take awhile. TSA will email approval to get fingerprinted. Print this email and check our resources page for Fingerprinting Steps. If you have already done TSA finger printing beforehand, you do not need to do it again. Be sure to check your email daily for TSA responses and any additional documentation requests.

TSA application fee is \$130. Payment is online by credit card only.
